

The Gilded Spoon: A Culinary Journey

Our Story

Welcome to The Gilded Spoon! Founded in 2015 by celebrated chef Isabella Rossi, our restaurant was born from a simple yet profound idea: to blend timeless culinary traditions with a modern, innovative twist. Chef Rossi, a native of Tuscany, Italy, brought her family's generations-old recipes and a passion for fresh, locally-sourced ingredients to the heart of the city. Our mission is to provide an unforgettable dining experience where every dish tells a story. We believe in the magic of good food, warm company, and a welcoming atmosphere.

About Our Head Chef

Isabella Rossi is an award-winning chef with over 20 years of experience in high-end culinary arts. After graduating with honors from the Le Cordon Bleu in Paris, she honed her skills in several Michelin-starred kitchens across Europe before deciding to open The Gilded Spoon. Chef Rossi is a firm believer in the farm-to-table philosophy, and she personally visits local farms every week to select the freshest produce, meats, and cheeses for our menu. Her signature dish is the "Tuscan Sun Risotto," a recipe passed down from her grandmother.

Specialties & Philosophy

At The Gilded Spoon, our specialty is modern European cuisine with a strong Italian influence. We are particularly famous for our handmade pasta, dry-aged steaks, and decadent desserts.

- **Signature Dish:** Tuscan Sun Risotto - a creamy saffron risotto with pan-seared scallops and a hint of lemon zest.
- **Dietary Accommodations:** We are happy to accommodate most dietary restrictions, including vegetarian, vegan, and gluten-free options. Please inform your server of any allergies or preferences when you order.
- **Sourcing:** We are proud to partner with local providers like "Green Valley Farms" for our organic vegetables and "Ocean's Catch Fisheries" for our fresh seafood.
